Dear Ma'am,

As per our discussion dated 29/09/2023 we are glad to share with you the letter of intent for Tata STRIVE Microsoft Cyber Security scholarship program. The duration of this program would be till 31st March 2024.

Tata STRIVE is the skill development initiative of Tata Community Initiatives Trust, which addresses the pressing need of skilling India's youth for Employment, Entrepreneurship and Community Enterprise.

We have collaborated with Microsoft for the Cyber Security scholarship program, which will help students to enhance their employability skill through various courses hosted on the designated learning platform.

Following programs will be offered to your Institution / Student:

- 2) Faculty Development
- 3) Cybersecurity Certification (SC 900) - (Only eligible after RFCS certification).
- 4) Cybershikshaa+ - Only women students (eligible after RFCS certification & Entry gate assessment)

Note: Students from these mentioned courses are only eligible to be enrolled under this program: BSC-CS, Bsc-IT, BCA, MCA, MSC- IT, MSc CS, BE IT/CS, B. Tech CS/IT, M. Tech/ME CS/IT.

Tata STRIVE will also provide placement assistance to students, who will complete this program within the defined timeframe. (not applicable for Faculty Development)

Tata STRIVE may choose to move out of the partnership in case there is low or poor performance from the students or the institution.

In order to ensure program success, we would require below mentioned support from your institute:

- Provide single point of contact (SPOC) to support this initiative across various colleges
- Circulate information to pre-final and final-year student about the program
- Provide data of interested/eligible pre-final and final year students data and provide support in student orientation and enrollment
- Provide list of faculty for certification

- Encourage students to complete the course within specified timeline
- Track the progress of the program and share valuable suggestions for its success
- Support in organizing placement drives

- Provide data of placed students who have completed these certifications

We are confident that this program will improve the employability of students and help them secure job opportunities of their choice. We look forward working with your esteemed institution and support the endeavors to ensure bright future of our students.
